

If you want to help children, invest in adult literacy.

The single greatest indicator of children's success is the literacy level of their parents.

43% of adults with low literacy skills live in poverty.

36 million adults in the U.S. have low literacy skills.

Break the cycle of poverty: Reach a child in need—Teach an adult to read.

VOLUNTEER. SUPPORT. DONATE.

ProLiteracy[®]

Every adult has a right to literacy.
