

Newsletter/Website Copy

Include short copy in organization newsletters or on websites.

It's never too late to continue learning, which is why [Organization Name] is excited to announce the Adult and Home Literacy Project to help you become a better reader! You can also learn skills for work or study for the GED®. Anyone can sign up to get free access to the Learning Upgrade app. If you have children, you can sign them up, too, so you can learn together. The app includes games and music to make learning fun! Click this link to learn more: <https://wkf.ms/3WQSPxb>. Use the program code [CODE] when you sign up.
